Suppliers subject to withholding tax will have it deducted at point of payment which may decrease the amount actually paid to under €20,000. Penalty interest may be added at point of payment for late payments over 30 days (or whatever is agreed with the supplier) which will increase the payment.

In addition, if the penalty interest amount calculated goes over €125 it is subject to DIRT.

Some payments may be excluded from the above data if their publication would be precluded under the Freedom of Information legislation.
